

Vanilla Sugar, Lavender Sugar and Lavender Vanilla Sugar

Ingredients: **Vanilla sugar:** organic sugar and organic vanilla bean. **Lavender Sugar:** organic sugar and organic lavender. **Lavender Vanilla Sugar:** organic sugar, lavender and vanilla bean. **Cinnamon Vanilla Sugar:** Cinnamon, organic vanilla and organic sugar.

Vanilla Sugar: Use vanilla sugar in coffee or tea. Use to top desserts, add to your whipped cream, top muffins or other baked goods with this sugar.

Lavender Sugar and Lavender Vanilla Sugar: If you don't want to eat the sweet flowers of the lavender pour sugar through a strainer to remove the buds. The sugar will have a delightful fresh lavender taste. You can use these sugars in the same way as the vanilla sugar and enjoy the unique flavor. Try adding 1 Tbsp. of these sugars to your icing for cookies, cinnamon rolls or cakes it adds a delicious flavor that your guest will surely enjoy.

Cinnamon Vanilla Sugar: Reminiscent of the delightful childhood favorite, cinnamon sugar adds a little twist with the addition of vanilla. Try it on raisin toast or your favorite whole wheat English muffin. Use cinnamon vanilla sugar to top muffins, waffles, or pancakes. Sprinkle on top of ice cream or add a bit to your morning coffee. For a flavor boost try adding a teaspoon to your whipping cream.
